Automatic Gift Withdrawal

You can have your donations to Youth for Christ automatically withdrawn monthly from your checking or savings account. Youth for Christ offers Automatic Gift Withdrawal (AGW) to all donors. To participate in this convenient program, please follow the instructions below carefully.

How does the AGW program work?

On the 1st or 15th of each month (depending on preference) Youth for Christ's bank will withdraw your donation from your bank account. Your withdrawal will appear on your monthly bank statement and you'll receive a tax-deductible receipt from Youth for Christ at the end of the year. If you would like to receive a monthly e-receipt as well, there is a box to check below for that option.

HOW DO I ENROLL?

- Fill out the entire enclosed Automatic Gift Withdrawal Enrollment and Authorization Form.
If your donations will be withdrawn from a checking account, enclose a voided check from that account.
If your donations will be withdrawn from a savings account, you will need to provide us with your routing and account numbers. You will need to obtain those numbers from your bank before enrolling.
It is very important you include your bank's phone number. Our bank may need to contact your bank if any problems arise while withdrawing funds from your account.
Return your form by the 1st of the month to qualify for the debit on the 15th of the month. We need two weeks to process your information before a debit can be made. If you wish to make an earlier donation in addition to your AGW, feel free to mail in a check for the current month.
