

FRESH PEACHES from Colorado

Dear Friends,

Thanks for continuing to impact teenage lives by buying peaches. We are reaching over 650 kids each week, and seeing lives transformed. We have added new ministry staff, upgraded our facility in the inner city for our ministry there, and seen new programs start this year. We are seeing great things happen, and couldn't do it without your help. Not only do you get great peaches, you also are a part of changing the lives of teens.

This year we are offering the wonderful peaches from the Rocky Mountain Peach Company in Colorado. We are expecting a mid-August delivery of peaches and you can purchase an 18 pound lug for \$33, or a half lug for \$23.

We learned in April that due to a late frost and warm winter weather, up to 80% of peaches in Georgia were lost, so our peach grower in Georgia is not going to be able to provide peaches for us this year. We then went to work, with other YFC chapters in the area, to find a replacement for our Georgia peaches, but were unable to find a farm that wasn't affected by weather or had an affordable price.

Peaches are first-come first-serve, so get your order mailed in early to guarantee your peaches. We will send out a reminder postcard about a week before peaches arrive.

We will have three pick up sites: Price Chopper in Johnston, Saints Pub + Patio in Waukee and Boesen The Florist on Beaver. Please indicate on your order form which site you prefer to pick up your peaches.

We would be honored if you would pass along an order form to a friend to introduce them to our great peaches. Thank you for ordering peaches from us! We gratefully appreciate your support as we continue to build relationships with middle and high school students, so that we can reach

Every Young Person, One At A Time.
